**RE: Dispute on Disclosure of information case GAJB 25729-18**

*Dear Sir,*

1. *Commissioner Mduduzi Khumalo has yet to provide a ruling in respect of an application for the disclosure of information brought by us.*
2. *At best for the learned Commissioner he was seized with the Founding, answering and replying affidavits on or about 18 February 2019.*
3. *Kindly advise why a ruling has not been issued as yet. It is the norm for a ruling to be issued within two weeks, and yet a month has passed without one.*

4. The matter relates to an on-going facilitation and the Employer has stated that it is commencing with dismissals.
5. On 29 January 2019 the Commissioner (with the consent of all concerned) advised that a further meeting would be held and that he would rule on the request as aforementioned.
6. Kindly also confirm when the additional facilitation meeting will be held and further confirm that the Commissioner would be able to continue facilitations even if this would require more than one further meeting.
7. We await for urgent response hereto.

Yours faithfully,

**K Abrahams**
